

WALL MOUNT BELT PARTITION GS-AP-BR057

Right-handed type shown. Left-handed type is symmetrical.

- Long type with belt length 7m.
- Use hook catch (sold separately) to fix the pulled out belt.

[Remarks]

- Belt part may collapse due to product characteristics.
- Hook catch is not supplied with the body. Please order separately.
- Please install the body and hook catch as shown in the application example. If the belt is twisted with respect to the body and hook catch, the twisted part may rub and cause fraying or wearing out.

[Sold Separately]

- Hook catch
