T-SHAPED HOLDER FOR POINT FIX GS-PTH

L=R **TEMPERED GLASS**

- For point fix (sold separately).
- Used for installing glass to the handrail post with point fix. Please use with point fix recommended in the table below.
- M5 screw type (GS-PTH-5) and M8 screw type (GS-PTH-8) available.
- Non-Handed. Can be installed on left or right side.
- Adjustment range: vertical ± 5mm, depth 4mm. Horizontal adjustment is possible by using point fix (GS-PTH-8 only).
- Ideal for exterior application. Acceptable glass weight: 36kg (4 pcs, vertical mounting).

[Remarks]

- When installing the recommended point fix to the glass, either special tool GS-Z058, GS-Z059, (sold separately) or hex key (nominal 6) is required. Special tools vary depending on the point fix used. Please confirm with the table below.
- When adjusting the depth adjustment screw and body of GS-PTH-5 or GS-PTH-8, special tool GS-Z058 or GS-Z059 is required.

[Recommended Screws]

- Hexagon socket button head screw M10
- Recommended tightening torque: 44 N·m (443 kgf·cm)
